

LAWN SPRINKLING BAN IN PLACE

Hand watering of flowers, shrubs, and vegetable gardens or other food sources allowed.

Due to the hot weather, the City of Terrace is implementing additional restrictions for water use. Starting today, Monday, July 8, stage 3 water restrictions are in place. Under these restrictions:

- Sprinkling is NOT permitted.
- Watering by HANDHELD HOSE with a CONTROLLED NOZZLE is permitted for flowers, plants and shrubs.
- Hot tub or pool TOP-UPS ONLY are permitted.
- New house with first-time lawn of seed or turf can apply for a permit.
- No watering of non-sport green spaces within the City.
- Reduced watering of sports field.

These restrictions help ensure adequate water supply is available for firefighting purposes. This is of vital importance during forest fire season.

Under the City of Terrace Water Distribution and Sale Bylaw No. 1326-1993, violations may result in fines.

The City extends a big thank you to residents for cooperating.

Further updates will be provided as soon as conditions allow adjustments in these restrictions.

More info about the City's 5-stage water restrictions available at: <https://www.terrace.ca/city-services/water/water-conservation>
