**FOOD SCRAPS, YARD TRIMMINGS
COMPOST**

**CLEAN PAPER, PLASTIC, TINS
RECYCLING**

**ITEMS FOR LANDFILL
GARBAGE**

WHAT YOU NEED TO KNOW:

- Garbage and Recycling alternate weeks, Compost is every Monday (Spring to Fall)
- All materials must be out to the curb by 8am on your collection day
- Carts must be placed within 1 meter of traveled portion of the road
- To report a missed collection, and for all other questions related to garbage, recycling and compost pick-up please call: 250-615-4021 or email: pw@terrace.ca

Your garbage and recycling day is the same as in previous years. New residents please see the route map at: www.terrace.ca

Detail of garbage route boundaries in the vicinity of Thomas St. and Scott Ave.

Visit www.terrace.ca to learn more about City of Terrace collection services.

- Tuesday
- Thursday
- Wednesday
- Friday

- Statutory Holidays** – No pick-up (refer to calendar or City website for schedule changes)
- Compost** – Food scraps, food-soiled papers and yard trimmings. Weekly pick-up: Spring to Fall (Please check City website for dates)

- Blue Cart** – Recycling bi-weekly pick-up
- Black Cart** – Garbage bi-weekly pick-up

• ATTENTION RESIDENTS •

Changes are coming to our garbage and recycling collection system.
The new system goes into effect the week of January 4th, 2016.

What YOU need To Know

- The City of Terrace is transitioning to an automated system of garbage collection.
- You have received two new carts: one for garbage, one for recycling.
- Carts will be set in the location where you will be expected to place them for pickup.
- There will be **NO CHANGE** to your collection schedule, frequency or the permitted materials collected for either garbage or recycling.
- Please see the City of Terrace website for more information or call 250-615-4021.

The Carts

Blue Cart = Recycling

Place in the blue cart everything you currently put in your blue bag including containers, metal, cardboard, newspapers and paper products. See the full list of recyclable material at www.recyclinginbc.ca

Black Cart = Garbage

Everything that cannot be recycled at the curbside, except for hazardous products or products that can be recycled elsewhere such as paint and tires.

Placing your Carts Properly

- Now that the system is automated, residents must place the cart accurately or the collection truck will be unable to pick up the cart.
- Position cart with arrow pointing to center of road with at least 1 METRE clearance around cart.
